

U.S. Patent Application Serial No. 09/973,602  
Applicant: Chocklett

IN THE CLAIMS

With entry of this amendment, the claims of the present application are as shown below.

Claims 1-9 (Previously Canceled).

10. (Currently Amended) A method for manufacturing a sheet of material for use in arts and crafts, said method comprising the steps of:

providing a sheet of base material;  
applying an adhesive to a surface of said sheet of base material;  
substantially uniformly adhering a sheet of foil comprising an applicator and a coating to said surface of said base material;  
peeling said applicator from said base material sheet; **and**  
in response to said peeling step, **transferring retaining** the coating of said foil sheet **to on** said base material sheet; **and**  
**removing a portion of said sheet of arts and crafts material and securing said portion to a fishing hook.**

11. (Currently Cancelled).

U.S. Patent Application Serial No. 09/973,602  
Applicant: Chocklett

12. (Original) The method of Claim 10 further comprising the step of exposing said arts and crafts material to water and maintaining the visual appearance of said arts and crafts material following said exposure to water.

*C1  
Contd*  
13. (Original) The method of Claim 12 wherein said step of exposing said arts and crafts material to water comprises immersing said arts and crafts material in water.

14. (Original) An arts and crafts material having a coated surface coated in accordance with the process of Claim 10.

Claims 15-20 (Previously Cancelled).
